ANZAC Remembrance Service

It was wonderful to see so many members of our community attend our service last Thursday.

Our thanks go to all those who participated especially Mrs Val Hargraeves, Mr Jim Jamieson, Mr Doug Gellert, Mrs Kath Sim and our head and deputy students and our young speaker from Room 8. We also appreciated Constable Penney arranging for a Police presence at our service. A special thank you too goes to the PTA for organising the morning tea that took place after the service.

It was a very fitting tribute and learning experience to mark the 100th anniversary of World War 1. Mrs West.

Statements

Statements were sent home last week. Please note that bus, camp, technology and athletic fees are due. We have to pay these outside providers and it would be appreciated if payments could be made as soon as possible.

Medication at School

Please be aware that all medication administered to a child must be brought to the school office in the first instance. Medication must not be taken to the classroom. A signed request/medical statement must be provided before medication will be administered by staff. A full copy of the Administration of Medication Policy can be found on the website or is available for viewing in the office.
