Week 7, Term 3 2020

Kia ora and welcome to this fortnight's newsletter.

CELEBRATING LEARNING & ACHIEVEMENT

Welcome Back! We are so pleased to once again welcome you all back to school. We hope that the rest of the term will be more settled! We are enjoying once again meeting our learners at the flagpole each morning. Thank you for limiting your visits to the office and classrooms. This is making the adherence to Alert Level 2(.5) guidelines much easier for our place of learning.

Ag Day

A lot of people have been asking about the status of Ag Day. As we have indicated previously, Ag Day this year will need to look different to what we are used to. Due to our most recent lockdown and the new rules at Alert Level 2.5 for Auckland, the committee have once again had to adapt their planning for this event. At the forefront of all decision making has been a commitment to finding a way for this event to proceed for our learners if at all possible. The details of the most recent plan are currently being finalised and include a scenario that adheres to our current Alert Level 2.5 conditions, that can be easily adapted should the rules or alert level change. Once the logistics have been sorted we will get all the information to you. We anticipate that this will be either at the end of this week or early next week. Please keep an eye out for this information.

2021 Enrolments

We are beginning to plan ahead. Do you have a child or know of a child who will be enrolling at our school next year (**in zone** or **out of zone**)

Please email lynnef@karaka.school.nz with the enrolment form which is available from our website or can be collected from the school office. Visits are welcomed too.

Please note that **all out of zone** enrolment applications for 2021 need to be received by Wednesday 14th October. The ballot date is set for 21st October.

Also if you have any information that may impact on the organisation of our school next year, such as you are moving elsewhere, please let us know by **18th September** so that we can ensure we are well organised for our upcoming ballot and for our learners come the new year.

Change of Details

It is important that we hold correct details for our students on file, especially if we have to contact you for an emergency.

Have you recently changed address, email or phone number? Please can you let the office know so we have up-to-date accurate records.

Ag Day Animals and Projects

Attached to the newsletter is a list of all the entries received for Ag Day so far. All entries were due back on 3rd August. Please check carefully that your child has been entered correctly. If their name does not appear please contact us. We need these details to help with our planning—please let the office know by Friday.

Thank you to everyone who has already purchased their child's art. You have until Friday 4th September (this Friday) to purchase and pay for your child's art.

Extra frames are \$12.00, in case you would like to match other artwork on your walls. If an additional colour copy of a child's artwork is required for another parent, grandparent etc, then please contact the PTA below to discuss and we can help organise this for you.

PTA MEETING NEXT WEDNESDAY IS CANCELLED

Lunchroom

The Lunchroom is open this Friday.

We will try to manage this process with as little contact with everyone as possible. As parents are encouraged to not enter the school grounds and office whenever possible, we will have a table just outside (or just inside if it is raining) the Hall for parents to place orders on Friday morning before school starts. One of our lovely lunch room volunteers will be there to help you. We will also have the white "lunchroom orders" box up and running for anyone who would like to use the attached order form.

Students are welcome to order their lunches in person, at the Hall kitchen as per usual too.

If you do use the order form please ensure you put your **child's name, class and try to enclose the correct money.**

New product—we are replacing the Buffalo Corn Chips with Doritos—same cost and flavour just a different product. Don't forget for a lovely little warm treat we have the small savoury mince pie for \$1.50.

Any questions/fundraising ideas you can email us on karaka.pta@gmail.com.

To our Auckland whānau

This letter is to inform you about the service delivery for the Children's Community Dental Service (Auckland Regional Dental Service).

During Level 3, there were national restrictions on the health services able to be offered to minimise the risk of spreading COVID-19. This included restrictions on routine dental treatments and check-ups. Because of this, we have now commenced our COVID-19 Recovery Plan. This means we need to firstly offer appointments to children who have been identified as requiring treatment and those waiting the longest for their routine examination. We also offer an acute service for any child who is experiencing dental pain. In addition, during the transition to Level 2 there may be some restrictions in the range of dental treatments that we are able to provide.

We apologise in advance for the delays this will cause for some children who are due a routine check-up. Please be assured that we will contact you as soon as we are able to offer your child an appointment with our service.

In the meantime, if your child is in pain or you have immediate concerns with their teeth, please phone 0800 TALK TEETH (0800-8255-83384). Our staff will be available to discuss your concerns with you directly, and will offer your child an appointment if required.

For more information as well as our top tips for keeping your child's smile bright, please search 'ARDS' on the Waitematā DHB website – www.waitematadhb.govt.nz.
