CELEBRATING LEARNING & ACHIEVEMENT

What a wonderful week of learning outside the classroom our students enjoyed last week. Those lucky enough to be able to attend Friday's assembly will have witnessed the amazing images of the junior and middle school students enjoying their learning through authentic experience. By the looks of the smiling faces they had lots of fun too! Thank you to all the students who embraced the challenges, took risks and tried new things. It was wonderful to watch you working and learning alongside each other. Thank you also to our junior and middle school teachers who worked collaboratively to provide the diverse learning opportunities.

Meanwhile, the Intermediate students continued to take on new challenges at their camp at Kokako lodge. I understand that they too have prepared a slideshow for sharing at our next assembly - we can't wait to see your achievements!

Last year we asked for expressions of interest in the mindfulness programme. Thank you to those who responded. Unfortunately, since this time the person who was to facilitate this programme for our students has had to withdraw. As a result, we are unable to offer this programme at this time.

Recently, we have noticed a number of students arriving late for school. We acknowledge that some of these instances have been unavoidable due to delays with buses. However, we would like to remind people that being on time is important for our students as arriving late can unsettle their start to the day. Please remember to contact the school if you are going to be late or absent.

Recently on the news there have been a number of reports of students being approached by people not known to them. Although most of our students are picked up or on the bus, it would still be worthwhile speaking to your child about this.

Intermediate Camp—Kokako Lodge

Last week, the Intermediate students went to Kokako Lodge in the Hunua Ranges for their camp. We were incredibly proud of the students as they displayed Karaka School's values in everything they did. They supported and encouraged each other through the activities and showed perseverance, courage and determination when challenges arose.

The activities included were the Hunua Hunt (a 3 hour tramp), adventure based learning challenges, abseiling on a natural rock wall, rock climbing, archery, high beam, kayaking, The Flying Kiwi, trapeze, The Amazing Race, The Great Pancake Race and a glow worm walk.

We would like to say a special thank you to our parent helpers that helped to make our camp as successful as it was—Mrs Skilton, Mr Rosie, Mr Thompson, Mrs Mills, Mrs Murdoch, Mr Gower, Mr Nissen, Mr Williams, Mrs Slaughter and Mrs Burns.

Dear Diary

My hands were shaking, the pole was wobbling. My face showed I was confident but inside I was filled with fear.

One foot after the other, I stepped uncertainly onto the vibrating pole. My hands gripped tightly on to the steady rope. Suddenly I heard a booming noise 5.... 4....3....2.....1!

I leapt high into the air. I felt a rush of adrenaline as I grabbed onto the slightly wet trapeze. It did it and it turned out to be my favourite activity.

As I let go of the trapeze, I changed the thought of fear in my head to confidence. I soared down to the bottom of the pole, and I felt so proud after that.

Junior and Middle Teams “Education Outside the Classroom” Event

Last Thursday all the junior and middle team children gathered excitedly in the junior courtyard in their six Tamariki Teams. During the day the teams rotated round six different outdoor focused activities—making scroggin and damper, pitching a tent, packing a pack, kayaking, cooking damper over an open fire and a burma trail. We all had a lot of fun learning new skills and trying out activities for the first time.

Then on Friday we packed our scroggin and set off across the road to Guy’s farm where Mrs McDonald led us through paddocks, along the race, up and down hills and back and forth across paddocks. We enjoyed our scroggin on the side of a hill under a large pine tree. Some of the teachers even had a turn on the tyre swing! We were all very hot after our walk so were pleased to be able to have a swim in the school pool once we were all safely back.

Thank you very much to the Guy family for allowing us to walk on their farm.

Thank you to the Stychinsky and Rosie families for the use of their kayaks which they delivered to and collected from our pool.

Thank you to Mr Rob for digging the fire pits for our open fire cooking

Thank you to Miss Yeardley, Mrs Cook, Mrs Glover and Ms Pretty for the use of their tents.

We appreciated all the help and support we received for our outdoor activities.
